Subject: Appreciation letter

Respected Sir/ Madam,

I am writing this letter in reference to the transport services provided by your company. I hereby would like to appreciate the services of your company. You have proved that your transportation facility is one of the safest and fastest. Availability of dedicated vehicles, Customer support & Packing of the boxes during the shipment movement has helped us to track our goods/products. I am satisfied with the communication process and the paperwork involved in the business.

I would like to appreciate your staff for contributing the time for our work and making it possible to deliver the products/goods in a short period of time.
